ACCELERATE THE TRANSITION TO DIGITIZED OPERATIONS WITH AI 用雲計算和人工智能加速數字化營運

December 2021

cloudwork Swarter with AI

Private & Confidential

Gene Liu, CEO & Co-founder of **cloudwork**

- 10yrs+ capital markets / M&A corporate lawyer
- Former in-house counsel at HKSFC
- Morrison & Foerster, Sidley Austin, Orrick
- University of Hong Kong, MSc Computer Science
- Tsinghua University, LLM
- University of Durham, LLB

We Combined Industry Know-how and Best Technologies and Created an Al-Powered Productivity & Document Management Suite

Alumni of world-class academic institutions with a passion for innovation

We Are Solving These Pain Points At Your Workplace

Teams lack collaboration & communication

Can't efficiently organize, search & process large amounts of information

Repetitive & low value tasks

Increasing business & compliance risks

Lack data to drive business decisions

High ownership & maintenance costs

We are Enterprise Grade Software with Best-in-Class Security

Triple Layer Protection to Safeguard Your Information

- Cloudwork uses physical, procedural and technical safeguards to preserve the integrity and security of your information.
- We use Microsoft Azure for our system infrastructure. We store your data in Azure's data centers located globally that deliver best-in-class security with 24x7 monitoring.
- Cloudwork is ISO27001 (Information Security Management) certified. We adopt industry best practices, standards and guiding principles.

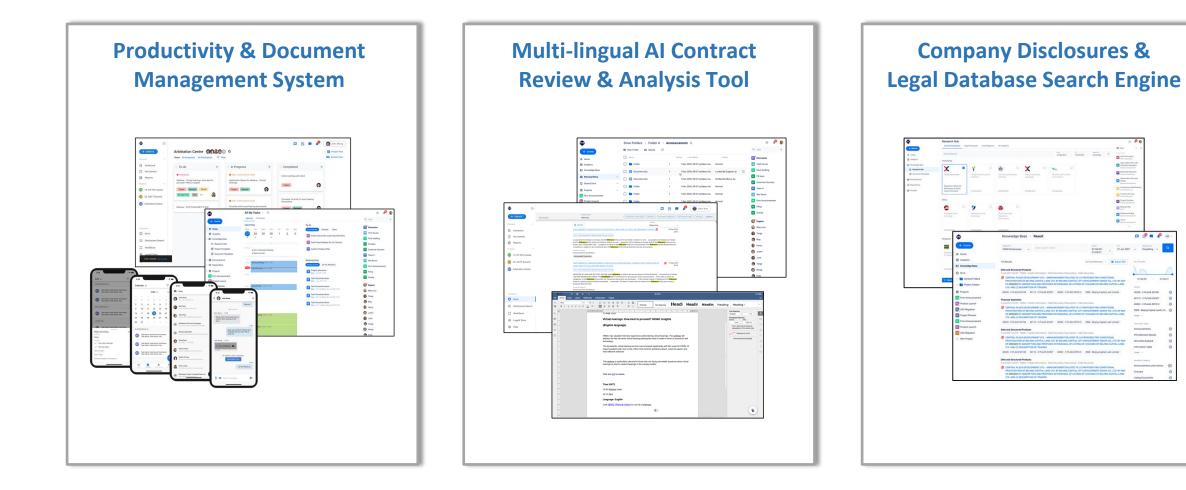

Cloudwork Covers the Entire Document Management Lifecycle

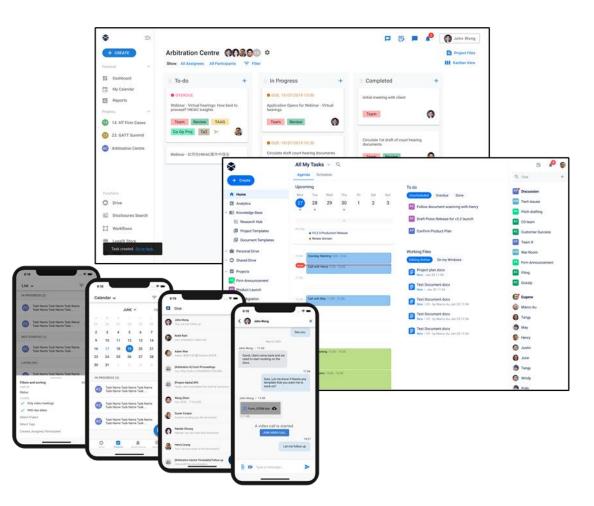

Education Paries

C famou has

Three Solutions To Digitize Your Workflows & Operations

Productivity & Document Management System

Document Management

- Centralized Document Management
- Version Control
- Full-text Search
- Integration with MS Office
- Online Document Collaboration
- Auto OCR Text-to-Data Conversion
- Mobile & Desktop App

Productivity

- Personal Workspace
- Shared Project Workspace
- Reminders and Deadlines
- Smart Visualizations
- Real-time Messaging
- Auto Time Entry
- Workload Monitor
- Workflow Builder

Multi-lingual AI Contract Review & Analysis Tool
